

ROUTE 20/29 PUBLIC OPEN HOUSE

A CALTRANS SAFETY PROJECT

WHAT IS BEING PLANNED?

The California Department of Transportation (Caltrans) proposes to improve the intersection of Routes 20 and 29 in Lake County. Two alternatives are being considered to reduce collisions in the vicinity of the intersection: a roundabout or signal.

WHAT IS THE PURPOSE OF THIS MEETING?

The public is invited to attend an open house meeting to review project information. Caltrans has performed environmental and engineering studies for this meeting. We are interested in hearing about issues you consider important. You may comment on alternatives identified. There will be no formal presentation, however, Caltrans staff will be available to answer your questions and receive your comments.

WHEN and WHERE?

Thursday, February 16th, from 4:30 p.m to 6:30 p.m.
