ADDENDUM No. 1

November 3, 2026

Request for Proposals

Clear Lake Ferry Service Feasibility Study

Extension of Proposal Submittal Deadline

The Request for Proposals (RFP) for the *Clear Lake Ferry Service Feasibility Study* was originally released on October 23, 2026. According to language in the release, proposals were due by 5:00 p.m. on November 17, 2026. This Addendum extends that deadline to 5:00 p.m. on November 20, 2026, based on conflicting language identified in the original release.

Language in the release (Section VI. D: Schedule) stated that the Proposal Submittal Deadline was November 17, 2026. This date was also used in email and website postings. However, Section VI. A (Proposal Submittal) contradicted the deadline by stating that "[p]roposals must be received by no later than 5:00 p.m. on November 20, 2026." Because of the discrepancy, the deadline will now be November 20, 2026. All other terms and conditions of the RFP remain unchanged.
